Summer Missions

Throughout the summer your family has the opportunity to make a difference in the lives of needy children around the world. Fill a water bottle with coins and bring to Children's Weekend Worship, VBS, Summer Camp or PDO. Money collected will go to Hope 4 Kids International who is partnering with Community Church of Joy to bless kids with school supplies.

You may also participate in two community outreach mission projects. In June, we will collect water bottles for the homeless in Phoenix and in July we will bless a Glendale Title I school with school supplies. Items for both these missions will be greatly appreciated.

Thank You for the Great Kids

Children's Weekend Worship

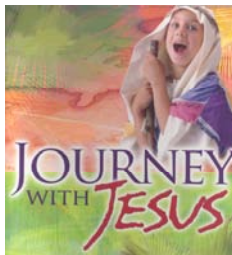

(Sundays at 9:35 & 11:15)

Nursery

We welcome little ones 6 weeks through age 3 at the 9:35 and 11:15 services in Kid Kountry. In June and July our focus will be "God Cares for Me" and "God Made Me." Through simple Bible stories and activities, we will help each child learn to associate God with the loving care experienced at church and show interest in conversation and songs about God's care.

Preschool ~ 6th Grade

Our Summer Interns are ready to lead your child in the adventure of the summer. Plan now to have your child participate in a unique and exciting tour of

the places in Israel where Jesus actually walked. All the action will take place on our 13 week *Journey with Jesus* tour. Each Sunday at the 9:35 and 11:15 services your child is invited to a time of worship, songs, games, Bible stories, creative art and more!
