What's Happening in Joykids' Sunday School Classes

Nursery

This month we will help each child develop an awareness of Jesus; and associate Jesus with being loved and helped. We will share the Bible verse "God gives people to help me," 1 Corinthians 12:28, sing the song "Showing God's Love" and tell a Bible story about Jesus helping his friends.

Preschool/Kindergarten

During the month of May, the children will hear Bible stories about Paul and how he told the "Good News" about Jesus and his love. We will focus on the Bible verse "Jesus said, Go and tell the good news," Mark 16:15. The children will participate in fun activities that will help them practice telling the good news that Jesus loves everyone and does wonderful things.

Elementary

In **Bible Game Zone** kids will hear the story of Pentecost and teams will compete in a lively game of "Hula-Hoop Basketball. This month's movie in **Galaxy Theater** is "The Visual Bible—Acts." Kids will learn about the Great Commission and play "Spread the Good News" in **Good Shepherd's Inn**. The science experiment in **Power Lab** will visualize spreading the Good News of God's love with milk, coloring and soap! Our memory verse is Matthew 28:19-20.
