

PrestoPay™ – The Online Payment Service for ShopWithScrip.com Users

Since its release, ShopWithScrip.com has allowed organization families to place their orders on-line. Many families have enjoyed the benefits and convenience of this new service. Coordinators have also appreciated their reduced efforts of combining family orders and importing them to GLSC with just a few clicks of their mouse.

Now families can also pay on-line – using Great Lakes Scrip Center's new PrestoPay payment system. Doing so eliminates their need to drop off a check for their order, and for you to then deposit their check. More convenience, fewer steps, easier fundraising!

PrestoPay is not a credit card system, since credit cards reduce your program's ability to raise money. Instead, PrestoPay uses the safe and reliable NACHA electronic funds transfer system which is just as secure, and much more affordable. To use PrestoPay, your families register their account information once in a secure environment, and then verify it again a few days later. From then on they can elect to pay with PrestoPay at the time they order, and pay a modest convenience fee of \$.39 each time.

When you aggregate your families' orders into your organization order, and import it into www.glscrip.com, all of your families' payments will be reconciled. Your organization will only be debited for the order balance.

PrestoPay will only be offered to your families if you choose to do so. The only requirement for using ShopWithScrip and PrestoPay is that your organization must use the ACH/electronic payment system at GLSC to pay for your organization order. If you're already using ACH, you can begin offering PrestoPay to your families in minutes.

To fully understand the powerful features of PrestoPay, simply log on to ShopWithScrip.com and click on the PrestoPay link in the left side navigation bar of the Coordinator's dashboard. There you'll find additional information in three short video tutorials.
